## Important UPDATES!

1. Starting September 13, all patrons, volunteers, performers, and clients (ages 12 years & older) are required to show **proof of one dose of vaccine** administered 7 days prior to entering the building. Starting October 24, **proof of both doses are required** administered 7 days prior to entering the building.
2. You **must wear a mask** (if 12 years or older) at all times inside the building even when seated in the theatre.
3. **Hand sanitizer** is available for your convenience.
4. Please **avoid congregating** in the lobby or theatre aisles.

Until the public health authority provides new guidelines, these are the rules The Port Theatre Society must follow.

*Thanks for your cooperation! Your health and safety are important to us.*
